Hi all,

Exciting times coming up for Club Penguin Island very soon! 1.8 launches next week and is choca-block full including:

- PC/Mac launch – Open Beta
- Disney Store - Big Hero 6 and Frozen
- Holiday Party including Coins for Change
- New Quick Chat Phrases
- Island Live: changing home page – surfacing content and shortcuts, next level, friends
- New AFK animations
- Dynamic walk throughs/tutorials
- Igloos

There is too much to have in one email, so you can find out more information in the articles below (including details on the Refer A Friend feature that is live)! I will also be sending out an email and creating articles for known bugs that are slated to be fixed in the 1.8.1 fix as well as membership purchasing and cancelling through the website. Stay tuned for those to land in your inbox over the next few days!
